5669	From Timmappayen, late Tahsildar of Darampoory Talook in the District of Salem.—	States that one Sambia now the Manager to Mr. Fischer being at enmity with Petitioner, in consequence of the latter not acting, while Tahsildar of Namcul, according to his wishes, encouraged one Villapady Shasyaw to prefer a complaint against		

against Petitioner that he had granted certain waste lands in the Salem talook of which he was Tahsildar, to his relations for cultivation at too favorable rates — That Mr. Gleig in examining the case directed another Tahsildar, named Streenavasa Row, to inspect and assess the lands, who being under fear of Sambeia reported that the lands might justly have been assessed at 120 Rupees more than the sum placed upon them by Petitioner. that Mr. Gleig then ordered the lands to be reassessed by 5 cultivators as arbitrators who determined the rate similar to that at which Petitioner had fixed it — that Mr. Gleig however preferred the calculations of the Tahsildar to those of the ryots and reporting unfavourably of Petit^r's conduct to the Board of Revenue removed him from his situation — States that Streenavasa Row had assessed the lands after they had been much improved at the labour and expence, of the cultivators and that his rates on the land in it's then State, covered with jungle, full of pits, stones &c^a were fair and correct — Prays that his case and claims as a public servant of 22 years service without previous fault or suspicion be taken into consideration, and that he be restored to Government employ — 1842.
